INCIDENT SUMMARY

Active structure fire at 1420 Massachusetts St. Fire involved 2nd and 3rd floors on arrival. Search teams cleared floors 1–2 with no victims. Two patients transported to LMH with minor smoke inhalation. Battalion 1 assumed IC at 14:39. Fire knocked down at 14:50; overhaul ongoing. Units: E7, L3, M12, BC1, E5. Water supply established at Mass & 14th.

UNITS (5)

E7 | L3 | M12 | BC1 | E5

ZONE SUGGESTIONS 2

DANGER ZONE 14:44:00

Hot Zone Expansion — Structural collapse risk at NW corner. Recommend expanding danger radius to 80m from 50m.

Accept | Reject

REHAB STAGING 14:46:30

Crew Rehab Area — Crew rotation threshold reached. South parking lot is clear — designate as rehab/staging.

Accept | Reject

COMMUNICATIONS 10 entries

Search transcript...

exposure. Medic 12 stage at south parking lot.

L3 Command 14:36:10
Ladder 3 in position east exposure. Crews deploying aerial device.

M12 Triage 14:37:02
Medic 12 staged. Two patients being transported out — minor smoke inhalation.

E7 Command 14:38:30
Search complete floors 1 and 2. No additional victims found. Continuing fire suppression.

BC1 Command 14:39:15
Battalion 1 assuming command. Additional engine requested for water supply on south side.

DISP Logistics 14:39:40
Engine 5 en route from Station 5, ETA 4 minutes. Water tender standing by at staging.

M12 Triage 14:41:05
Both patients transported to LMH. Triage area clear.

E5 Command 14:43:18
Engine 5 on scene. Establishing water supply from hydrant at Mass and 14th.

IC Command 14:50:22
Fire knocked down. Beginning overhaul operations. Maintain hot zone perimeter — no unauthorized entry.
